The Director of Athletics must mark one of the options below, sign and submit a copy of this form to the student and the conference office which processed the original National Letter of Intent. This request form must be returned to both parties no more than 15 business days from the date the student signed this form, as indicated above.

_____ **Complete Release**

A Complete Release permits the above-named student to attend any National Letter of Intent institution without being subject to the NLI Basic Penalty. It releases both the institution and the student from any further NLI obligations. Additionally, the NLI Recruiting Ban is no longer in effect, allowing the student to be recruited by other NLI member institutions.

_____ **No Release**

Selecting the No Release option keeps the National Letter of Intent in tact, thereby requiring the student to lose one season of eligibility in all sports and to serve one academic year in residence at the next NLI member institution, pursuant to NLI Provision 4. In this situation, the student may appeal to the NLI Steering Committee for a release. In that event, the institution will be required to provide documentation supporting its decision to the NLI office.
