

STUDENT-ATHLETE EMPLOYMENT AGREEMENT

As a student-athlete of the University of Connecticut desiring employment, I agree to comply with the following procedures as well as all NCAA rules and regulations which are provided to all student-athletes.

1. I am obligated to represent myself and my university by diligent work habits, honest communication and respectful conduct towards my employer at all times.
2. I understand that I am responsible for the accuracy of my time records.
3. I understand that I can be paid only for actual hours worked and that my rate of pay and any benefits I receive must be commensurate with those received by similarly situated employees (e.g., seasonal, part-time) performing the same or similar work.
4. I will not accept any benefits or privileges that are not available to other employees doing similar work, including transportation provided or arranged by my employer to or from my place of employment.
5. I will immediately report to the Compliance Office any improper privileges or benefits offered to me or received by me and any NCAA rules violations of which I am aware.
6. I understand that my work will be supervised and that if my work is not satisfactory, or if I fail to appear on time and regularly, my job may be terminated either by the employer or the University.
7. I understand that the University will from time to time contact my employer to evaluate my employment. In that regard, by signing this employment agreement, I give my permission for my employer to release any and all employment records or documents to the University or its authorized representatives.
8. If my employment is terminated for any reason, I will immediately provide that information to the Compliance Office.
9. I understand that my earnings are limited by NCAA legislation, and I agree not to exceed those limits.
10. I have met with the Compliance Office and been provided information detailing the NCAA rules and UConn's policy related to student-athlete employment and agree to strictly adhere to them. I understand that failure to do so could result in a violation of NCAA rules and regulations and could seriously jeopardize my athletic eligibility and financial aid.

I understand the rules and regulations regarding employment explained to me by the Compliance Office and those listed above. I realize that if I obtain other employment I must get approval from the Compliance Office prior to accepting the job.
