### Notes

- Media Timeouts stop clock at first non-shooting dead-ball inside of the 16:00, 12:00, 8:00 and 4:00 minute marks of each half. All Media Timeouts will equal 90 seconds in length, with the first horn sounding at the 75 second mark, followed by the second horn at the 90 second mark.
- Each team gets four (4) :30 timeouts and one (1) :60 timeout. The first timeout called by either team in the second half will become a full (90 seconds) Media Timeout, and **does not** replace the next scheduled Media Timeout.
- Neither team's :60 timeout can be extended by media agreement.
- Three (3) :30 timeouts may carry over into the second half. In each overtime period, a team will carry over its remaining timeouts and be granted one (1) additional :30 timeout. The first timeout called in overtime by either team will become a full (90 seconds) Media Timeout.
- Santa Clara bench is on North End. Visitor bench is on South End.
