Dear Loyal Falcon Hockey Fans:

A great poet once wrote, “A man must dream or a man must die.” Coach Buddy Powers, his staff and Falcon hockey players have dreamed a great dream: to return Falcon hockey to a winning tradition. They are well on the way with the support of a strong Department of Athletics and knowing that there are people like you.

In order to compete successfully with other premier college hockey programs, the Falcon hockey program must have a facility that says to the world of sports, **“WE ARE WINNERS!”** Our help is needed to achieve that dream.

Our hockey arena has “grown” out-of-date. We no longer compete as successfully in the recruitment of premier players in NCAA Division I Hockey. To that end, funds are being raised to provide the highest quality hockey facility. The first step in this dream is the renovation of the northeast section of the arena.

Click here for information concerning the proposed renovation, including a sketch of the new arena and an explanation of how you can respond to help achieve a dream so many of us share. You have the opportunity to have your message inscribed on a brick to be placed in the new entrance. On these pavers you may list your name(s) or another supportive message.

Our goal is to raise \$125,000 to benefit the project. Over one half million dollars has already been pledged by former BGSU hockey players and by some magnanimous fans. Now it’s our turn – yours and mine.

Personally, I am excited to be part of this dream. Won’t you please join us as this dream becomes a reality for Falcon hockey.

Respectfully,

Paul L. Yutzy
Campaign Chairman

P.S. A Falcon may not be able to lay a golden egg,
but a Falcon fan can lay a brick!
Please step on it!
