NCAA site selection is Sunday, March 12, 2006. Should Maryland be invited to the 2006 NCAA Tournament, this information page will help to answer frequently-asked questions.

TICKET AVAILABILITY

Eligibility for 2006 NCAA ticket benefits is based on the member's 2005 Terrapin Club giving level. We anticipate having the following ticket allotment available for Terrapin Club members.

Tickets are sold at each regional site as much as a year in advance. The Terrapin Club receives an allotment of tickets to only those rounds in which Maryland plays. Depending on the site in which Maryland plays, it is possible that additional tickets will be available beyond the allotment listed above. Additional tickets, if available, may be purchased by any Terrapin Club member after all initial orders are filled using the priority listed below. Seat location at all rounds is determined by Terpoint priority.

Top Terps will be given priority on the purchase of two tickets to the first and second rounds, if available, and four tickets to the Regionals and Final Four.

Coaches Club members are given priority on the purchase of two tickets to the Regionals and four tickets to the Final Four if available.
