

TIME TO SOAR AGAIN!

Believe it or not, another exciting season of Miami University basketball is nearly upon us, and now is the time to get your piece of the action.

Fresh off a 19-win season, Maria Fantanarosa's women's basketball squad is taking aim at a third consecutive trip to Cleveland and the Mid-American Conference Basketball Tournament. Led by senior and 2001-02 MAC Player of the Year Heather Cusick, the Red and White returns all five starters for the second consecutive season and is ready to reap the benefits of a four-year rebuilding process, while taking aim at the program's first NCAA Tournament berth.

Armed with a strong sense of purpose, Charlie Coles' men's basketball team is on the verge of great things. The non-conference slate once again proves to be one of the nation's most challenging, as Miami works toward its goal of returning to the MAC Championship. Led by four returning starters, Miami boasts its youngest group of incumbent starters in decades. Don't count this group out, as this mixture of experience and talent could be just the combination to boost the RedHawks back to championship status.

Don't miss out on another thrilling season of RedHawk hoops. Call (513) 529-HAWK, order online at www.MURedHawks.com or send in the attached order form to reserve your season tickets.
