

## COMPETITIVE EXPERIENCE OUTSIDE INTERCOLLEGIATE ATHLETICS – 2005-06

**NOTE:** The following instructions and form should be used for the 2005-06 academic year. Instructions and forms will be revised for future years.

NAIA rules were changed in 2004 to address competitive experiences after high school graduation and before enrollment at an NAIA institution. The rule's purpose is to diminish advantages gained through participation outside intercollegiate athletics.

The new legislation – effective August 1, 2005 – states that a student-athlete shall be charged with a season of competition based on participation in any athletic competition or training for which the participant receives compensation (including remuneration for expenses) after September 1 in the year of high school graduation or the equivalent.

If high school graduation or its equivalent cannot be ascertained, age 19 is used as the starting point.

For purposes of this rule, no student will be charged more than one season in any 12-month period.

Athletes charged one or more seasons of competition due to the application of this rule also must comply with all other applicable NAIA regulations (e.g., amateur rules, eligibility).

*To determine if a particular student-athlete is subject to this rule and must complete a Non-Resident Student or Enrollment Gap Form (i.e., Gap Form):*

### **For students enrolling in an institution of higher education for the first time**

Is the student enrolling in your institution for the next regular academic term (not including summer) immediately following the student's high school graduation (or the student's 19<sup>th</sup> birthday, if high school graduation cannot be ascertained)?

If yes, **STOP** – no Gap Form is needed.

If no, your institution **must** complete a Gap Form for this student.

### **For students being recertified at this institution or students who have previously attended another institution of higher education**

During the 2004 – 05 academic year, was the student identified with an institution of higher education for two consecutive semesters or three consecutive quarters (not including summers)?

If yes, **STOP**. This student is not subject to the rule – no “gap” form is needed.

If no, your institution **must** complete a Gap Form for this student.

**NON-RESIDENT STUDENT or ENROLLMENT**  
**GAP FORM – 2005-06**

This form is to be filled out by the FAR and student. Complete all blanks. *Please print clearly.*
