Northern Colorado's Move to Division I

The 2005-06 season marks the third year of the four-year reclassification process to Division I for the Northern Colorado Department of Athletics. This year the Bears are a Division I "counter" and are mandated to play a schedule that is primarily made up of Division I teams. The Bears are ineligible for NCAA postseason play until the 2007-08 season.

While the rest of the department joins the Big Sky Conference in 2006-07, men's golf will remain independent and seek conference affiliation because the BSC does not sponsor men's golf as a championship sport.
