

The RED ZONE - Funding the Return to Glory

In its inaugural season, The RED ZONE was created to promote Saint Mary's Women's Basketball. As a member of The RED ZONE, you will help create interest in our women's basketball program throughout the campus and surrounding communities.

The club will introduce the team at its Meet the Gaels social in the fall and sponsor post game pizza parties with the team during regular season home games. All members will also receive a ticket to the end-of-year awards banquet.
