

Dear Alumni and Friends of Utah State Volleyball,

I am extremely excited about this new beginning in Aggie Volleyball, and I am looking forward to carrying on the tradition that has been developed over the years from Marilyn McReavy and Mary Jo Pepler, to Annette Cottle, Tom Peterson and Burt Fuller. So many great coaches. And more importantly the great players, from Joey Vrazel to Lauren Goebel-Keller, and Amy Crosbie to Erin Cartwright-Davis, and so many others that it's impossible to name them all in this short letter.

The current Aggies are looking to continue the foundation that has been laid and we need your help and support. We want YOU to be involved in this program. Please come to me with your ideas and thoughts. My office number is 435-797-2068 and my email is grayson.dubose@usu.edu.

We want to put together a monthly letter that we can send to you, but we need your contact information. Please get that to us so we can keep you informed with what the current Aggies are doing. We want to see you at the matches both in the Dee Glen Smith Spectrum and on the road. We want to know how and what you are doing. We want to know if you know of players and how we can improve YOUR program.

GO AGGIES!!!!

Sincerely,
Grayson DuBose
Head Volleyball Coach
Utah State University
