The Price of Being No. 1

Top-seeded teams have won only .304 percent of the ACC titles for a total of seven. The lowest seed to earn the crown was No. 5 Maryland in 1986. The No.1 seed has won only three of the last ten tournaments and five of the last fifteen.

Tournament Overtime Games

There have been nine overtime games, including two championship games, in the 22-year history of the tournament. Virginia has played in six of those games, including the triple overtime thriller against Maryland in the 1993 finals. The Cavaliers successfully defended their ACC title that year defeating the Terrapins 106-103.
